STARFRAME — ILLUSTRATION SERVICES

✨ Section Header

Illustration Services
Each piece is treated like a small scene from a story — designed to feel, not just look beautiful.

🌙 Soft Moment
₹1,200 – ₹1,800 ($15 – $22)

A simple, gentle illustration capturing a quiet emotion or character.

Best for:
profile art
small gifts
minimal story moments

Includes:
1 character or simple scene
soft background / minimal environment
high-resolution, print-ready file
2 refinement revisions
delivery in 5–7 days

Usage:
Personal use included
Commercial use available (+additional cost)

✨ Story Frame (Most Popular)
₹2,000 – ₹2,800 ($24 – $34)

A more detailed composition with interaction, mood, and storytelling.

Best for:
social media visuals
book/art concepts
storytelling posts

Includes:
1–2 characters with interaction
detailed background/environment
high-resolution, print-ready file
3 refinement revisions
delivery in 7–10 days

Usage:
Personal use included
Commercial use available (+additional cost)

🌌 Cinematic Scene
₹3,500 – ₹5,000 ($42 – $60)

A fully developed scene with rich detail, atmosphere, and strong storytelling direction.

Best for:
key visuals
cover art
emotionally impactful pieces

Includes:
2–3+ characters or complex scene
highly detailed environment
storytelling-focused composition (director approach)
high-resolution + source file (PSD)
up to 5 refinement revisions
delivery in 10–14 days

Usage:
Personal & commercial use options available

🎯 Footer Line (important — don’t skip)
If you’re looking for something soft, emotional, and a little magical — let’s create something together.

STARFRAME — 2D ANIMATION

✨ Section Header

2D Animation
Small moments, brought to life — with softness, movement, and emotion.

🌙 Soft Loop
₹2,500 – ₹4,500 ($30 – $55)

A short, seamless animation that adds life to a single moment.

Best for:
aesthetic loops
music visuals
profile animations

Includes:
5–10 second seamless loop
simple character or object
soft, minimal background
HD (1080p) + GIF/MP4
2 refinement revisions
delivery in 1–2 weeks

✨ Story Motion (Most Popular)
₹5,000 – ₹9,000 ($60 – $110)

A short animated sequence with emotion, interaction, and flow.

Best for:
social media storytelling
short visual narratives
expressive content

Includes:
15–30 seconds animation
1–2 scenes with character interaction
detailed environment
HD (1080p)
3 refinement revisions
basic sound/music sync (if needed)
delivery in 2–3 weeks

🌌 Cinematic Motion
₹12,000 – ₹20,000+ ($150 – $250+)

A complete animated piece with storytelling, mood, and direction.

Best for:
music visuals
short film moments
key storytelling pieces

Includes:
30–60+ seconds animation
multiple scenes & transitions
character + environment storytelling
direction on mood, pacing, and composition
HD/2K/4K output
sound design + music integration
up to 5 refinement revisions
custom production timeline

🎯 Add THIS (important differentiator)
At the bottom:
We focus on soft, emotional storytelling — not high-speed commercial animation.
Each project is crafted with care and time.

STARFRAME — CHARACTER DESIGN

✨ Section Header

Character Design
Characters that feel like they belong to a story — not just exist on a page.

🌙 Character Sketch
₹1,500 – ₹2,500 ($18 – $30)

A simple character concept capturing personality and mood.

Best for:
initial ideas
profile characters
simple concepts

Includes:
1 original character design
basic pose + expression
minimal color or flat tones
high-resolution file
2 refinement revisions
delivery in 5–7 days

Usage:
Personal use included
Commercial use available (+additional cost)

✨ Character Concept (Most Popular)
₹3,000 – ₹5,000 ($36 – $60)

A refined character with personality, style, and visual clarity.

Best for:
storytelling projects
branding mascots
detailed concepts

Includes:
1 fully designed character
color + outfit details
2–3 expressions or pose variations
clean presentation sheet
high-resolution, print-ready file
3 refinement revisions
delivery in 7–10 days

Usage:
Personal use included
Commercial use available (+additional cost)

🌌 Character Identity
₹6,000 – ₹10,000+ ($75 – $120+)

A complete character design with depth, emotion, and story direction.

Best for:
main characters
animation/film projects
strong visual identities

Includes:
1 main character with full detailing
multiple expressions + pose sheet
outfit variations / styling exploration
personality + mood direction (director approach)
high-resolution + source files (PSD)
up to 5 refinement revisions
delivery in 10–14 days

Usage:
Personal & commercial use options available

🎯 Add this line (important)

We design characters with emotion and story in mind — focusing on presence, not just appearance
